

Dimension Data :

Founded in 1983, Dimension Data is a USD 8 billion global leader in designing, optimising, and managing today's evolving technology environments. This enables its clients to leverage data in a digital age, turn it into information, and extract insights.

Headquartered in Johannesburg, Dimension Data employs 28,000 people across 46 countries. The company brings together the world's best technology provided by market leaders and niche innovators with the service support that clients need for their businesses – from consulting, technical, and support services to a fully-managed service.

In Asia Pacific, we operate in 35 offices across 13 countries. We help clients enable technology, operate their IT infrastructures and transform technology solutions that deliver value. It combines an expertise in digital infrastructure, cybersecurity, customer experience (CX), and digital workplace, with advanced skills in IT outsourcing, IT-as-a-Service, Systems integration services and training.
